

## AP- Al Tarbyah Al Islamiyah Schools

Dear Students,

**AP Exams are standardized exams offered by the College Board in the United States and designed to measure how well you've mastered the content and skills of a specific AP course. Most AP courses have an end-of-year exam, but a few courses have different ways to assess what you've learned.**

**AP Exams are given every year in May to prepare students for college level work. AP Exams are administered at some high schools and at exam centers.**

**Al Tarbyah Al Islamiyah Schools is an accredited center for AP Exams.**

**The benefit of taking the exam is that most U.S colleges grant credit, advanced placement, or both for qualifying AP scores.**

**Some colleges and universities may take AP grades into account when deciding which students to accept.**

**A major advantage in choosing to take an AP exam is the chance to receive college credit. If a student passes his or her test with a score of at least 3 out of 5, often the student will be able to use that exam in exchange for college credit, thus decreasing tuition payments and possibly even shortening time spent at college.**

**Finally, as we mentioned that AL Tarbayh AL Islamiyah schools operates as a testing center for AP Exams. As it extends advanced placement courses to students.**

**You are welcome to register for applying Ap exams in our schools this May 2023, if you are interested kindly fill the attached form or contact our AP coordinator Ms. Heba Othman at [Hossman@tischools.edu.sa](mailto:Hossman@tischools.edu.sa)**
